Please make every effort to be in the water 30 minutes prior to blast-off. All live-wells will be checked by a tournament official at the launch ramp, prior to blast-off. Please present your blast-off card to tournament officials for signature, prior to the live-well being checked.

FISHING METHODS: All bass must be caught live in a conventional and sporting manner, using only artificial lures, with the exception of pork trailers. Only one fishing rod may be used at a time by each angler, and no rod over 8 feet in length may be used. Trolling is prohibited.

RESTRICTIONS: Participants may fish anywhere accessible by boat, except areas designated as "Off Limits" or "No Fishing" by federal, state and local agencies, or within 50 yards of any marina gas pump, or another contestant. There will be no alcoholic beverages consumed during the tournament in any boat or by any tournament participant.

The required length for bass will be 13" mouth open hanging on a Wil-E-Go board. We will swish the tail. When presenting fish to be measured, the contestant may not touch the fish while the tournament official takes the measurement. Any team who possesses more than the tournament limit will lose their biggest fish weight plus 1 lb. Any team, presenting bass at weigh-in, which fail to meet the required length, will be penalized 1 lb., in addition to the loss of the short fish weight. No dead fish may be culled out of your catch.
